

# Hello TN Public Health Professionals,

The TN Public Health Training Center-LIFEPATH would like to invite you to a new training sponsored by the National AHEC Organization and the Postgraduate Institute for Medicine and promoted by partnership of the Southern Kentucky AHEC and LIFEPATH.

***You are the Key to HPV Cancer Prevention,*** is a self-paced, online continuing education training available to public health providers across Tennessee.

**ESTIMATED TIME TO COMPLETE ACTIVITY:**  
1.5 hours

## TARGET AUDIENCE

This activity has been designed to meet the educational needs of health professionals who provide and/or promote immunizations including physicians, registered nurses, nurse practitioners, physician assistants and pharmacists.

## LEARNING OBJECTIVES

*Upon completion of this program, participants should be better able to:*

- Describe the burden of HPV disease.
- Define the importance of HPV vaccination for cancer prevention.
- Explain the rationale for vaccinating youth at ages 11 or 12.
- List the recommendations for HPV vaccine for girls and for boys.
- Provide useful and compelling information about HPV vaccine to parents to aid in making the decision to vaccinate.
- Locate resources relevant to current immunization practice.
- Provide appropriate care and counsel for patients and their families.
- Provide accurate and appropriate counsel as part of the treatment team.

## CREDIT AVAILABLE

- **Physicians** – maximum of 1.5 AMA PRA Category 1 Credits™
- **Pharmacists** – 1.4 contact hours (0.14 CEUs)  
(Universal Activity Number - 0809-9999-15-289-H01-P)
- **Nurses** – 1.4 contact hours
